6..	<i>Carry out our obligations arising from any contracts entered between you and us and to provide you with the information, products and services that you request.</i>
7.	<i>To administer our site including data analysis, testing, research, statistical purposes.</i>
8.	<i>Handling complaints As per our Policies and Procedures in line with Central Bank requirements</i>
9.	<i>To notify you about changes to our service as and when they arise</i>

Legal Basis

We need to ensure that we process your personal data lawfully. We rely on the following legal grounds to collect and use your personal data.

Performance of a contract	<i>When we enter a contract with you, we will collect and use your personal data to enable us to fulfil that service.</i>
Legal obligation	<i>The use of some of your personal data is necessary for us to meet our legal obligations e.g., pension contributions for Revenue Certificates, Regulatory purposes to the Central Bank.</i>
Consent	<i>Sometimes we may rely on consent as a legal basis for processing your information. For example, we rely on consent to collect and use personal data for any criminal convictions or alleged offences. This is used when we need to assess risk relating to an insurance policy for you. We share this information with other third parties where it is necessary to manage these services provided to you – these services include insurance underwriters, reinsurer and other insurance providers.</i> <i>Sometimes if you refuse to provide information that we reasonably require to provide the services, we may be unable to offer you the services and/or we may terminate the services provided with immediate effect.</i>
Legitimate interests	<i>Where we rely on this legal basis to collect and use your personal information, we shall take appropriate steps to ensure the processing does not infringe the rights and freedoms conferred to you under the applicable data privacy laws.</i>

If you require further information on any of the above basis for processing your data, we can provide you with further details.

How we share your data

When required, we may make your information available to third parties with whom we have a relationship, where that third party is providing services on our behalf. We will only provide those third parties (data processors) with information that is necessary for them to perform the services. We will take measures to protect your information, such as putting in place Standard Contractual Clauses and confidentiality agreements.

1.	Insurance Partners where we need to manage the services provided to you such as Product Providers and insurance underwriters. You can refer to their privacy statements on their website for more information about their privacy practices.
----	---

2.	Vetting and risk management agencies such as fraud prevention, data validation and other professional advisory agencies, where necessary to prevent and detect fraud in the insurance industry and take steps to assess the risk in relation to prospective or existing insurance policies and/or the services.
3.	Legal advisers and claims investigators , where necessary to investigate, exercise or defend legal claims, insurance claims or other claims of a similar nature;
4.	Medical professionals , e.g., where you provide health information in connection with a claim against your insurance policy; or when we are providing a quote for insurance.
5.	EU Law enforcement bodies , when required to do so by law and/or regulation, or another legal request.
6.	Public authorities, regulators and government bodies , where necessary for us to comply with our legal and regulatory obligations, or in connection with an investigation of suspected or actual illegal activity;
7.	Third-party processors: We outsource our processing operations to suppliers that process personal information on our behalf. Examples include IT service providers who manage our IT and back-office systems and telecommunications networks, and accounting and payroll providers, CRM providers. (Money Advice for CRM and Caligo for IT and Cloud services. These processing operations remain under our control and we have data processing agreements in place with all our third party processors to ensure all processing is carried out in accordance with our security standards and the GDPR.
8.	Internal and external auditors where necessary for the conduct of company audits or to investigate a complaint or security threat.
9.	On the sale or reorganisation of our business whether by asset or share disposal or other transaction relating to our business.

Transferring personal data outside of Ireland

Not applicable at present

Security

The security of your personal data is important to us, we have implemented appropriate technical and organisational measures to ensure a level of security appropriate to the risk. We have processes in place to protect your personal data from loss, unauthorised access, misuse, alteration and destruction.

Retention

Annemarie McGeehan Ltd. shall not keep personal data in a form that permits identification of data subjects for a longer period than is necessary.

Annemarie McGeehan Ltd may store data for longer periods if the personal data will be processed solely for archiving purposes in the public interest, scientific or historical research purposes or statistical purposes, subject to the implementation of appropriate technical and organisational measures to safeguard the rights and freedoms of the data subject.

The retention period for each category of personal data will be set out in our Data Destruction Log along with the criteria used to determine this period, including any statutory obligations we have. Should you require further information we would be happy to provide.

Personal data will be disposed of securely.

Data Subjects Rights:

Annemarie McGeehan Ltd will facilitate your rights in line with our data protection policy and the Subject Access Request procedure. This is available on request.

Your rights as a data subject

At any point while we are in possession of or processing your personal data, you, the data subject, have the following rights:

- **Right of access** – you have the right to request a copy of the information that we hold about you.
- **Right of rectification** – you have a right to correct data that we hold about you that is inaccurate or incomplete.
- **Right to be forgotten** – in certain circumstances you can ask for the data we hold about you to be erased from our records. (The erasure of such data will be dependent on our other legal obligations, and whether the data is subject of legal privilege).
- **Right to restriction of processing** – where certain conditions apply to have a right to restrict the processing.
- **Right of portability** – you have the right to have the data we hold about you transferred to another organisation.
- **Right to object** – you have the right to object to certain types of processing such as direct marketing.
- **Right to object to automated processing, including profiling.**
- **Right to make a complaint:** if we refuse your request under rights of access, we will provide you with a reason as to why.

All the above requests will be forwarded on, should there be a third party involved, as we have indicated in the processing of your personal data.

Complaints

If you wish to make a complaint about how your personal data is being processed by Annemarie McGeehan Ltd or how your complaint has been handled, you have the right to lodge a complaint with our GDPR Owner

You may also lodge a complaint with the Data Protection Commission (DPC) in Ireland, whose details are:

Data Protection Commission
21 Fitzwilliam Square South
Dublin 2.
D02RD28
Web: www.dataprotection.ie
Email: info@dataprotection.ie

See website for updated contact details to reach the appropriate section within the DPC.

Failure to provide further information.

If we are collecting your data for a contract and you cannot provide this data, the consequences of this could mean the contract cannot be completed or details are incorrect.

When you fail to provide us with information we require to fulfil our obligations to you, we may be unable to offer our services to you.

Profiling – automatic decision making.

An automated decision is when we input your personal data into a computer programme and this programme analyses your personal data to provide us with a result. There is no human involvement in the decision making. If a decision is taken by automated means, you have the right to object to this and ask us to reconsider the service you have asked us to provide. Some further examples of automated decisions that we undertake are listed below.

Risk profiling.

- To establish a customer's attitude to investment risk (relates to pensions and investments) advisors have automated calculators which calculate the customers attitude to various levels of risk having answered a series of questions.
- Establishing affordability and providing quotations for financial services
- PEP check

Special Categories of personal data

Special categories of data are sensitive in relation to your fundamental rights and freedoms and therefore require specific protection when processed as these could create significant risks to the rights and freedoms of individuals.

If we collect any special categories of personal data, such as financial & health data, we will either obtain your explicit consent or we will adhere to the Data Protection Act 2018. This Act allows us to process special categories of personal data for insurance and pension purposes. We will ensure we have suitable and specific measures in place to safeguard the rights and freedoms of you and the processing of your data. These measures relate to the below:

- *a policy of insurance or life assurance,*
- *an occupational pension, a retirement annuity contract or any other pension arrangement*
